

# P-touch EDGE™

## Industrial Labeling Tools

TWO POWERFUL LABELING SOLUTIONS

P-touch  
EDGE™

*The P-touch EDGE™ industrial labeling tools are designed to give you the competitive edge to be more productive, by labeling the job quickly and more efficiently. We know you are a professional and your work represents the best in service, quality and performance. Labels are a thumbprint of professionalism and P-touch® laminated labels make your work look as good as it performs. Their sharp print quality and great durability resists smearing and fading, and they are resistant to extreme temperatures, chemicals, moisture and abrasion. With innovative features like Brother™ smart technology and download capability (PT-7600 only), why not experience the P-touch EDGE™ advantage for yourself.*

# P-touch EDGE™

Durable TZe tapes feature a unique construction where your content is printed under a clear protective laminate for labels that remain clearly readable and affixed for years. TZe tapes are compatible with the PT-7500 & PT-7600, as well as all other P-touch® T2 and TZe compatible labelers. All individual tapes are 8m (26.2 ft) long, unless otherwise noted.

	6mm (0.23 in)	9mm (0.35 in)	12mm (0.47 in)	18mm (0.7 in)	24mm (0.94 in)
--	------------------	------------------	-------------------	------------------	-------------------
